

# CHRONOFIGHTER VINTAGE PULSOMETER Ltd

---

## USP

- Doctor's watch: Mechanical watch which enables to monitor heartbeat and measure pulse at a glance - inspired by 1920s medical timepieces
- Graduation for 30 pulsations: The chrono hand is stopped at the patient's 30<sup>th</sup> heartbeat and the dial indicates the frequency per minute avoiding any calculation - immediate and precise reading
- Automatic chronograph with pulsometer
- Sunbrushed dial with pulsometer graduation
- Day-date
- Fast-action start / stop trigger
- Hand-sewn calf leather straps
- Limited edition: 250 pieces each
